To the Parents & Students of the Thundering Mustangs Marching Unit –

It's that time again! At the start of every season, the students and parents get together to fix, repair, clean and prepare all of the equipment needed for the upcoming competitive season. The **Fix-It-Day (Fall)** will be held on **Saturday, September 09, 2017** at Trabuco Hills High School in Mission Viejo, California. We will start at 9:00am and end around 2:00pm. We need many donated and loaned items on Fix-It Day, so please review the list below and let us know what you can provide. Additionally, if you are able to help that day, please sign-up on our [Online Sign-Ups](#) and/or contact Tim Luke [(949) 233-9647, luke_tim@mac.com] and Terri Luke [(949) 683-4219, tjluke4@gmail.com]. Hope to see you there!

We need assistance from our handy booster parents and students to ensure all of equipment is in performance-ready shape. The current list includes a tune-up of Big Blue (our moving truck), the quad, and the golf cart; clean out and organize the three storage bins; fix carts for the percussion equipment; paint and finally repair everything...as a start!

We need “all hands on deck”! As many students and parents that can participate, we will gladly welcome. You do not need to be mechanically inclined to help. In addition, there are several items that we need either donated or loaned and they are listed below.

REQUESTED DONATED ITEMS

Bottled Water, 8oz
Paint brushes
Paint roller covers
Drop cloth
Sandpaper

Car wash buckets

If you are available to assist with any items above or can provide any help on Fix-It Day (Fall), please let us know and come out! Thank you in advance for your continued support of the Music Program!
