To the Parents & Students of the Thundering Mustangs Marching Unit –

It's that time again! At the start of every season, the students and parents get together to fix, repair, clean and prepare all of the equipment needed for the upcoming competitive season. The Fix-It-Day (Fall) will be held on **Saturday, September 15, 2018** at Trabuco Hills High School in Mission Viejo, California. We will start at 9:00am and end around 2:00pm. We need donated items for the season and for Fix-It Day, so please review the list below and let us know what you can provide. Additionally, if you are able to help that day, please sign-up on our Online Sign-Ups and/or contact Tim Luke [(949) 233-9647, luke_tim@mac.com], Terri Luke [(949) 683-4219, tjluke4@gmail.com], Martin Oakes [(310) 729-8157, moakes713@gmail.com], Ruth Oakes [(949) 378-4284, mrdoakes@cox.net]. Hope to see you there!

We need assistance from our handy booster parents and students to ensure all of equipment is in performance-ready shape. The current list includes a tune-up of Big Blue (our moving truck), the quad, and the golf cart; clean out and organize the three storage bins; fix carts for the percussion equipment; paint and finally repair everything...as a start! We will also be building and painting the props to be used in this years show!

We need "ALL HANDS ON DECK"!!!

As many students and parents that can participate, we will gladly welcome; you are welcome to come at any time, and stay as long as you can. You do not need to be mechanically inclined to help. Please feel free to bring along any general tools (pliers, wrenches, screwdrivers, etc.) that might be helpful.

DONATED NEEDS FOR THE DAY AND THE SEASON

Home Depot gift cards (to purchase paint, etc.)
Bottled Water, 8oz
