### **Check-in:**

All directors must check in on arrival. Check-in location is on Chrisanta Drive after you turn from La Paz (**look for the Welcome Tent**). Wristbands for performers will be given to you in your check-in packet upon arrival. These wristbands only provide access to designated seating for performers. Gate ushers will direct you to the appropriate entrance gate and seating area. Directors, Staff, Media, and Pit Crew/Chaperones will need to use their official WBA Credential for admission to the stadium. Any chaperones or other guests that wish to watch on the home side will be asked to purchase a general admission spectator wristband from the ticket booth.

### **Parking Information:**

Please check-in with the parking personal upon arrival, and they will escort you to your assigned parking area. We request that all trucks, trailers, and equipment vehicles arrive **TOGETHER** with the student buses. Space is limited, and the parking has been mapped to accommodate all the schools based on their size and number of attendees. Directors need to present WBA credentials.

### **Restrooms:**

Are located on both sides of the stadium and on campus (on-site guides will direct you). Wrist bands are required to enter the stadium area. We highly recommend you distribute wrist bands to your students immediately after you receive them.

### **Health & Safety:**

See map at end of packet.

### **Hospitality:**

We have a wonderful hospitality area for staff members to eat and relax, on the tennis court next to the stadium. We invite you and your staff to join us for some great food and refreshments. See map at end of packet.

**Music Warm Up Areas:**

All upper parking lots are quiet zones. Practice may take place on campus or on the lower practice fields. Percussion, please stay away from quiet zones as far as possible.

**Props and other Equipment:**

Please make sure you have adequate staff and means to assist the moving of your percussion equipment and props to and from the performance area. **Motorized vehicles are NOT allowed on the field turf at any time.**

**Performer Re-entry:**

At check-in, you will receive a seating assignment for your ensemble. Please sit in the designated areas.

**Staff Viewing Area/Sound Mixing Area:**

There are observation areas located on both sides of the press box open for staff viewing, sound mixing, and videographers only; must show WBA credentials. An usher can guide you to the area.
