Re: KTLA Broadcast on November 1, 2021

On Monday, the KTLA Morning Show will be visiting our school, to showcase our Thundering Mustangs Marching Unit on their morning news segment. Since your son/daughter is a member of Band, Color Guard, and/or Drumline we are asking them to participate.

In order to participate, we need all participants to report to the music room by 4:15 am. Filming could last until 10:30 am (through period 5). Your student has completed release form which serves as verification of attendance and participation.

While we know that instructional time is important, this is a unique opportunity for Trabuco Hills High School to showcase our band and the upcoming trip to New York.

I will be giving your son/daughter further details as to what he/she will need for participation. Below you will find the tentative schedule for taping. This schedule is approximate and air times may vary. As a reminder, THHS is a closed campus and additional attendees will be unable to watch the taping/segments here at school. We invite you to tune in live! **REPORTS:** ktla.com/author/gayle-anderson/
