Clothing & Shoe Drive Fundraiser!

Please clean your closets for our talented students! Fall will be here soon and it is the perfect time for a "closet clean out" fundraiser!

We are collecting bags of gently used, unwanted clothes, shoes and more. Participation is easy - just start gathering any unwanted items from the list below. Spread the word to friends, family, neighbors, and share our flyer on social media.

Our goal is 500 bags and MORE - so start collecting today! If each participant can aim to drop off 3 bags each, that will help us surpass our goal!

Please collect donations in tied, white kitchen trash bags (or similar size bag). Please no XL 40 gallon bags; they tend to be heavy and challenging to load. Mark your bags with "Trabuco Music." The truck will arrive by 10am to pick up all the donations.

Collect your bags now and drop off:

Saturday, October 16th 8-10am
