### **CHECK-IN:**

Please check in on arrival. Band check-in will be at the corner of Fourth St. & Vine.

### **BUS PARKING/ ARRIVAL:**

- ☆ See maps for directions on how to get to Bus Parking (**please only ENTER at Fourth St. & Vine**). We are only using 1 (one) gate for entrance into this parking lot.
- ☆ Please refrain from warming up in the parking lot. It is a safety hazard to have groups warming up while other groups are parking.
- ☆ Students will receive a wristband when they get off the bus. Directors, Staff, Media, and Pit Crew/Chaperones will need to use their official WBA credentials for admission to the stadium. If your chaperones wish to sit on the home side, they will be asked to purchase a spectator wristband from the ticket booth. Any volunteers who wish to sit on the home side must purchase wristbands at the box office.

**SILENT AREAS:** The Final Staging/ Exit Areas inside the stadium are designated SILENT AREAS.

**WARM-UP:** Please ask your Percussion Sections to Warm-Up facing away from the Stadium. Color Guard Warm-Up only in the North/South Quad Field Area, with any music playing away from the stadium.

**STAGING AREA:** The final staging area prior to competition is located at the southeast side of the stadium near the Racquetball Courts

**PROP DROP-OFF:** Prop Drop off is accessed through the Fifth St. entrance down a drive towards the stadium. The available drop-off area is quite long and narrow. Please have enough volunteers to unload in the designated area. You can return props here after your performance and pick up later or you can take your props back across campus to your trucks.

**FIELD & HASH MARKS:** Regulation High School field with Standard Hash Marks. Front Sideline markers will be on the field.

**ELECTRICAL POWER:** There will be one extension cord available for you to plug into for electronic/power needs on the track at the 50-yard line.

**BAND FIELD EXIT:** Please exit the field through the northeast gate (near the Visitor Entrance/Box Office).

**MOTOR VEHICLES:** **NO STREET-LEGAL VEHICLES ARE PERMITTED INSIDE THE STADIUM.** Motorized vehicles (golf carts, john deer gators) only are allowed inside the stadium. Each band is responsible for transporting their equipment to and from the stadium.

**PIT/PERCUSSION INSTRUCTIONS:** Pit equipment and support vehicles should report to the Band Entrance in front of your Band (southeast side of the stadium on the home side). They do not need to be there earlier than your band...just in front of your band. It's highly recommended to give your pit plenty of time to get to the staging area. Navigating Chaffey should be easy as there are plenty of wide, smooth pathways. Please pay attention to the enclosed walking map. Timing from Bus/Truck/Trailer to band entrance is approximately 10 mins and from Warm Up Area to band entrance is 5 mins.

Updated 11.11.2022

**FIRST AID/HEALTH/SAFETY:** It is IMPERATIVE that each participating group has with them their emergency card for each student. If some emergencies were to arise, it would greatly help our first aid volunteers to have the appropriate information, so they can provide the necessary care that would be required. Basic first aid will be located on the plaza outside the spectator entrance to the stadium. For moderate issues, call Ontario Police Department at 1(909)-395-2001. For severe emergencies, call 911. Stay hydrated.
