

THHS MUSIC BINGO

WELCOME TO THHS BINGO!

It's our 13th Anniversary this year!!!! The Music Boosters started bingo as a fundraiser to help support our AWARD-WINNING MUSIC Program. It has become one of the most popular bingo sites in Orange County!

Bingo is EXCLUSIVE to the Music program. All profits go into the THHS Music program.

This is serious BINGO! Payouts range from \$250 - \$1,199. We have up to 100 players every Thursday and many of them are regulars. The players like the special attention they receive from the volunteers.

Bingo is every Thursday, 3:30 p.m. - 10:15 p.m. AS CRAZY AS IT SOUNDS . . . It takes a minimum of 30 -volunteers each Thursday night to run bingo successfully. On average we have 75 players a night! FOR REAL!!!

Why Bingo?

- Bingo started as a supplemental fundraiser for the music program. It has grown into our largest fundraiser for the THHS music program. BUT, it is not our only source of fundraising.
- The Music Director is given an annual budget from the school district to run the program. However, the district budget only covers the basic curriculum, meaning it covers basic music classes and nothing more. **It does not cover the cost of additional activities that help shape our kids and give them a robust music experience: coaches, festivals, concerts, competitions, performance events, transportation to events, family pot luck, awards dinner and so much more. These additional events are what makes the THHS MUSIC experience so impactful on our kids.**
- NOTE: Funds from BINGO support ALL Ensembles – Marching Unit, Color Guard, Percussion Ensemble, Jazz Ensemble, Symphony Orchestra, Chamber Strings, Intermediate Orchestra, Symphonic Band, Pep Band

How can I help?

- No Joke! We need 30 volunteers each Thursday night, but not all night.
- Help is needed from 3:30-10:30pm. There are many jobs and shifts. You can see the many shifts online at <http://signup.com/go/HQXdNq>
- There are many positions and shifts that need coverage (See table on next sheet). The Opening and Closing Shifts are the hardest to get coverage.
- HEY, we need a couple of Dad's that can come in to set up the audio, boards and caller table at 3:30. THIS IS A MUST!
- No experience is necessary, just a friendly attitude and willingness to help.
- **If one parent from all ensembles works 1 shift at bingo once a month, we will always be fully covered.**

What should I expect?

- To Have Fun while meeting people and helping our kids' music program
- You will be moving, so wear comfortable shoes.
- Never worked Bingo? No worries! Training is available.
- All shifts are listed on the following page.

THHS MUSIC BINGO

Staffing Bingo every Thursday is the hardest part of bingo, the rest of it comes easily. If we don't get the volunteers to manage bingo, we are at risk losing the program.

If one parent from all ensembles works 1 shift a month at bingo, we will always be fully covered. As such, we require that each family within the music program work at least one shift a month.

Thank you!
