

TRABUCO HILLS HIGH SCHOOL INSTRUMENTAL MUSIC PROGRAM

PROGRAM COSTS & ENSEMBLE CONTRIBUTIONS

OVERVIEW

The Saddleback Valley Unified School District (SVUSD) is very proud of the extensive co-curricular programs offered at our comprehensive high schools. Through state funding, the school district provides financial support for these programs to cover direct costs, some stipends for the coaches and advisors for each of the programs, general facilities upkeep and maintenance, transportation of students to and from events, small amounts for equipment repairs, etc. However, costs often exceed the limited state allocated funds, thus necessitating the booster club support and requests for contributions from participants.

Participation in the Trabuco Hills High School (THHS) Instrumental Music Boosters Organization is strictly voluntary. No student will be denied the opportunity to participate in a SVUSD co-curricular activity, because of a parent or guardian's inability to participate in fundraising activities, failure to devote time or resources to the booster club, or inability to purchase uniforms, accessories and equipment. Parents or students who do not participate will not be publicly identified.

Highlights of some of the Major Activity Costs (Unfunded):

- | | |
|--|------------------------------------|
| 1. Marching Unit Trip – WBA Championships, Fresno/Clovis
<i>3-day, 2-night trip in Fall 2024</i> | Cost TBD* (<i>approx. \$500</i>) |
| 2. Jazz Ensemble Trip (tentative) – Heritage Festival, San Diego
<i>2-day, 1-night trip in Spring 2025</i> | Cost TBD* |

ENSEMBLE CONTRIBUTIONS:

After reviewing all funding and proposed spending in 2024-2025, the Instrumental Music program finds the need to reach out to all music program participants for contributions to help supplement the unfunded costs. The contribution amounts are adjusted to ensemble size, planned 2024-2025 activities for all ensembles and, in general, year-over-year cost increases. Below is a quick summary of the proposed contributions costs. See Exhibit A for additional cost details for each ensemble.

2024 - 2025 ENSEMBLE CONTRIBUTIONS

Marching Band (Fall Semester)	\$800	Symphonic Band (Full Year)	\$400 ^{A B}
Color Guard (Fall Semester)	\$800 ^A	Winter Guard (Spring Semester)	\$700 ^A
Orchestra (Full Year)	\$450 ^{A B}	Winter Drumline (Spring Semester)	\$700 ^A
Jazz Ensemble (Full Year)	\$400 ^A		

^A Does not include uniform/concert attire costs for the semester/year

^B Students who have paid contributions for Marching Band, Color Guard, Winter Guard, or Winter Drumline are exempt from paying Orchestra, and Symphonic Band contributions.

The music program may find it necessary to scale back the program activities if additional funds to augment the program are not raised. We do not want to be in the position to have to scale back any of the programs we find beneficial and educational to the students, so we strongly encourage all parents to contribute to our program's viability and success. These contributions provide opportunities that are not offered at other schools and give our students memories of a lifetime. The contributions may be tax deductible, consult with your tax advisor.

Parent participation and volunteering is highly encouraged. Throughout the school year, parents and students may be asked to participate in various fundraising activities, such as with the Bingo fundraiser, to help provide financial support to the music program.

If you have any questions or concerns, please feel free to contact us at any time!
