

TRABUCO HILLS HIGH SCHOOL INSTRUMENTAL MUSIC PROGRAM

July 15, 2025

Dear Instrumental Music Students and Families:

Greetings! I hope you are having a great summer thus far. If you are new to the Trabuco Hills High School (THHS) Instrumental Music Program, I would like to express my warmest welcome to you to our music programs family. If you are a returning member, I welcome you back to the program as I believe you found our music program to be rewarding to you. Thank you to both.

In the past few years, the THHS Instrumental Music Program has enjoyed some solid successes, won numerous awards and has performed at some of the great venues in our local area such as, Segerstrom Performance Arts Center, Toyota Center, and The Bren Center. I am excited that you are interested in joining our winning THHS team where we pride ourselves in building a great tradition of creating great musicians and performers while instilling solid work ethics and character in our students. You will quickly learn that a key part of any successful program is the enormous support it receives. Our support comes from the Saddleback Valley Unified School District, school faculty, band directors and coaches, and most of all, through the strong participation of the students, parents, and family members. I highly encourage you all to get involved wherever and whenever possible, so collectively, we can make this program as successful as possible. We cannot do this without you.

Included with this message is the Welcome Packet List, where you will find the details on the key information and documents that need to be filled out and returned to the music program by the specific due dates. Please be sure to print the checklist to help ensure you have completed all the relevant documents and steps to become a member of our team. Please bring the completed documents with you to your first day of camp (see [Summer Camp Information](#) in the packet). For your convenience, the boosters will hold open registration each morning before each camp day to help complete the required documents and to answer any questions you may have.

Lastly, it is important that we all stay in touch and in tune with the latest music program events and activities. Please visit our THHS Instrumental Music Program website at <https://thhsmusic.com> to learn more about the latest activities, such as dates for rehearsals, camps, and performances throughout the year. You may also follow our music program on social media platforms, specifically Facebook and Instagram – see more details in the Welcome Packet.

If you have any other questions, please feel free to reach out to our President, Lorna Pham, at THHSmusicboosterspresident@gmail.com, or to any of your booster board members listed in the Boosters section of the music program website mentioned above.

I am excited to welcome you to the THHS Instrumental Music Program. The boosters and I look forward to meeting you and working with you in the coming months! Together, let's make our music program a success!

Sincerely,

Mr. Brad Pollock

TRABUCO HILLS HIGH SCHOOL INSTRUMENTAL MUSIC PROGRAM

WELCOME PACKET LIST 2025-2026

Dear Instrumental Music Students and Families:

Welcome to another exciting year of the Trabuco Hills High School (THHS) Instrumental Music Program! Listed below are the key music program participation information and forms to be reviewed, completed and returned to the music program for the 2025-2026 school year.

1. **[Student Information Form](#)** – Please complete this form online, so we can maintain a master roster for the Trabuco Hills High School Instrumental Music Program.
2. **[Pre-Participation Physical Examination Form](#)** and online **[Athletic Clearance](#)** – All members of the Thundering Mustangs Marching Unit (band/drumline/guard) are required to complete the physical examination screening and submit the information online through the [AthleticClearance.com](https://www.AthleticClearance.com) website prior to the first day of Rookie Band Camp and Band Camp. See [Flyer](#) for further instructions. *Note, this is a two-step process (i.e., visit a physician for the evaluation and submit results online), so we recommend that you address this item as quickly as possible.* Intermediate and Chamber Strings, Jazz Ensemble and Concert Band only students are not required to complete the form.
3. **[SVUSD Athletic Information Form](#)** – This is the school district's emergency contact form (MANDATORY FOR ALL ENSEMBLES).
4. **[Equipment Usage Form](#)** – This is a contract between the school and the student when an instrument is loaned to a student. THHS provides large instruments, percussion equipment, guard equipment, and smaller instruments on a limited basis. All other items, such as valve oil, slide grease, reeds, mouthpieces, etc. are the responsibility of the students to gather and have available.
5. **[Summer Camp Information](#)** – This document provides details of Rookie Band Camp and Band dates. These summer camps are required for all members of the Marching Unit.
6. **[Bingo Fundraiser](#)** – To remain competitive and be a successful program, some additional fundraising is necessary to supplement the amounts allocated by the school district. Bingo is a major fundraising activity, and we would like to continue raising the importance of this fundraiser for the THHS music programs. The funds raised through Bingo help to defray costs for all ensembles including Intermediate and Chamber Strings, Jazz Ensemble, Concert Band, Percussion Ensemble, Color Guard and the Thundering Mustangs Marching Unit. This fundraiser is not only vital to the financial health of the music boosters, but also to the quality of the music education and experience for each student. We kindly request for your support by having parents within the music program work at least one Bingo shift per month. Bingo takes place every Thursday evening year-round. Set up, concession, game sales, and clean up are just a few ways that you support at Bingo. [SignUp](https://thhsmusic.com) can be found on the <https://thhsmusic.com>.
7. **[Program Costs & Ensemble Contributions](#)** – This is an overall summary of the cost per member to participate in the different ensembles.
8. **[Schedule of Ensemble Contribution & Costs](#)** – A summary and form of the costs to be a member per ensembles within the Trabuco Hills High School Instrumental Music Program.
9. **[First Day of Camp Checklist](#)** - a list of items students must have when they show up to camp.

TRABUCO HILLS HIGH SCHOOL INSTRUMENTAL MUSIC PROGRAM

BINGO FUNDRAISER

OVERVIEW

On an annual basis, the Saddleback Valley Unified School District (SVUSD) allocates funding provided by the state for co-curricular activities to all schools in our district, including Trabuco Hills High School (THHS). THHS faculty then allocates these funds from the district amongst the various co-curricular activities at the school, such as athletics and sports, academic clubs, performing arts, visual arts, hobby clubs, leadership and service clubs, and many other programs. Due to the increasing competition for these same funds, the amount allocated to the Instrumental Music program is often a very limited amount. Many of the important and impactful activities that are needed to help shape our band students and to give the students a robust music experience are often not fully covered by the allocated funds. Furthermore, the costs of festivals, concerts, competitions, performance events, transportation to/from events, experienced coaches, family potlucks, year-end awards dinner and so many other activities are often at-risk of being cut due to the limited funds.

To help cover costs, the THHS Instrumental Music Program has needed to raise funds through requests for donations, selling program advertisements to local businesses, and sponsoring various fundraising activities. The music program Ways and Means Committee has a list of all fundraising activities the music program has used to help raise funds. One of the largest and most important fundraisers is/has been the Bingo Fundraiser. Due to the size of the activities for this fundraiser alone, it warrants a dedicated Booster VP. As a percent of total dollars brought in, the Bingo Fundraiser is at the top of the list.

Fun Facts about Bingo at THHS:

- 2025-2026 season will be our 15th Anniversary with the Bingo fundraising.
- Bingo is exclusive to the Instrumental Music program; all profits support the music program.
- Funds from Bingo support ALL ensembles, including the Marching Unit, Orchestra (Intermediate & Chamber Strings), Concert Band, Jazz Ensemble, Winter Guard, and Winter Drumline.
- Bingo and the other fundraiser activities help lower the Parent Contributions by ~35%.
- Bingo at THHS is one of the most popular bingo halls in Orange County! Reference: Yelp: Bingo Halls (2025).
- This is serious BINGO! Payouts range from \$250 - \$1,199.
- More than 75 regular players show up every Thursday.

Bingo Location: Trabuco Hills High School Multi-purpose Room

Dates: Thursday evenings year-round

Times: Set-up begins at 3:30 PM. Bingo play begins at 6:00 PM until 9:00 PM. Clean-up 9:00 PM to 10:00 PM.

Your involvement and support of Bingo means a lot to our students and music program:

The Instrumental Music Program kindly requests that each ensemble member's parents and friends help support this great fundraiser on Thursday evenings. There are three distinct areas and times when support is most needed: during set-up, play time, and clean-up at the end. The set-up phase help entails helping set up the player tables and chairs, the buy-in table, the hospitality stand, the game caller's table, pre-package the games for the evening, and other minor tasks as needed. The play time phase support includes helping with the pull tab tables, sellers walking the room selling the games, maintaining the hospitality stand, and supporting players with various needs they may have. The clean-up phase support includes putting away the tables and chairs, the caller's table, closing the hospitality stand, collecting trash, and tidying up the multi-purpose room. A successful Bingo night usually requires a minimum of 30 members and a lot of teamwork to support the event. Parents can choose to stay the whole evening or arrive to help in a specific area and/or cover a specific shift timeslot.

Keep in mind, this fundraiser is exclusive to the Instrumental Music program and there are many other co-curricular programs at the school who would love to take over the Bingo fundraiser for their own fundraising. Without the Bingo fundraiser, the Instrumental Music Program will have some serious strain on funds and will result in an increase in the risk of losing key events and activities for the students. So, the Instrumental Music

TRABUCO HILLS HIGH SCHOOL INSTRUMENTAL MUSIC PROGRAM

BINGO FUNDRAISER

Program would greatly appreciate your generosity with your time and commitment to keep this fundraiser alive and be a part of our wonderful program.

Other Notes:

- No experience is necessary to support Bingo; just your friendly attitude and willingness to help.
- If you are new to Bingo, have no worries; we will have a list of roles & responsibilities, plus some training to help you get started and get acquainted.
- Ideally, if one parent from all ensembles can work one bingo shift per month, it would greatly reduce the stress on the Bingo VP, managers, and parents that show up every week.
- We also encourage parents to at least try a night of Bingo as players. Any candid feedback on what is working and what is not working would greatly benefit the Bingo experience at THHS.
- You will be moving a lot when helping, so comfortable walking shoes are recommended.

All shifts will be listed on the following [THHS Bingo Sign-Up](#). Each week, a volunteer sign-up sheet will be circulated to all parents in the program. Don't miss out, please sign up and support the Bingo Fundraiser and join the fun. If you have any questions, please contact Rae Fujimoto or any of the Bingo managers.

TRABUCO HILLS HIGH SCHOOL INSTRUMENTAL MUSIC PROGRAM

PROGRAM COSTS & ENSEMBLE CONTRIBUTIONS 2025-2026

OVERVIEW

The Saddleback Valley Unified School District (SVUSD) is very proud of the extensive co-curricular programs offered at our comprehensive high schools. Through state funding, the school district provides financial support for these programs to cover direct costs, some stipends for the coaches and advisors for each of the programs, general facilities upkeep and maintenance, transportation of students to and from events, small amounts for equipment repairs, etc. However, costs often exceed the limited state allocated funds, thus necessitating the booster club support and requests for contributions from participants.

Participation in the Trabuco Hills High School (THHS) Instrumental Music Program is strictly voluntary. No student will be denied the opportunity to participate in a SVUSD co-curricular activity, because of a parent or guardian's inability to participate in fundraising activities, failure to devote time or resources to the booster club, or inability to purchase uniforms, accessories and equipment. Parents or students who do not participate will not be publicly identified.

Highlights of some of the Major Activity Costs (Unfunded):

- | | |
|--|--------------------|
| 1. Marching Unit Trip – London Parade, London, England
<i>7-days, 6-night trip in Winter 2025-2026</i> | Cost \$4100-\$4300 |
| 2. Winter Guard (tentative) – WGI Regional, Location TBD*
<i>3-days, 2-nights trip in Spring 2026</i> | Cost TBD* |

ENSEMBLE CONTRIBUTIONS:

After reviewing all funding and proposed spending in 2025-2026, the Instrumental Music program finds the need to reach out to all music program participants for contributions to help supplement all program costs. The contribution amounts are adjusted to ensemble size, planned 2025-2026 activities for all ensembles and, in general, year-over-year cost increases. Below is a quick summary of the proposed contributions costs. See Exhibit A for additional cost details for each ensemble. Note: Participation in the trip to the London Parade is optional and full funded by participating families.

2025 - 2026 ENSEMBLE CONTRIBUTIONS

Marching Band (Fall Semester)	\$800	Concert Band (Full Year)	\$400 ^{A B}
Color Guard (Fall Semester)	\$800 ^A	Winter Guard (Spring Semester)	\$700 ^A
Orchestra [Inter/Chamber Strings] (Full Year)	\$500 ^{A B}	Winter Drumline (Spring Semester)	\$700 ^A
Jazz Ensemble (Full Year)	\$450 ^A		

^A Does not include uniform/concert attire costs for the semester/year

^B Students who have paid contributions for Marching Band, Color Guard, Winter Guard, or Winter Drumline are exempt from paying Orchestra (Intermediate & Chamber Strings), and Concert Band contributions.

The music program may find it necessary to scale back the program activities if additional funds to augment the program are not raised. We do not want to be in the position to have to scale back any of the programs we find beneficial and educational to the students, so we strongly encourage all parents to contribute to our program's viability and success. These contributions provide opportunities that are not offered at other schools and give our students memories of a lifetime. The contributions may be tax deductible, consult with your tax advisor.

Parent participation and volunteering is highly encouraged. Throughout the school year, parents and students may be asked to participate in various fundraising activities, such as with the Bingo fundraiser, to help provide financial support to the music program.

If you have any questions or concerns, please feel free to contact us at any time!

SPIRITWEAR AND CONCERT ATTIRE

OVERVIEW

When students wear uniforms (or similar attire), they become part of a larger community, connected by a shared identity and purpose. Marching uniforms, closely matched Orchestra (Intermediate & Chamber Strings) and Concert Band attire and having the proper outer and inner wear all help create a sense of shared identity and belonging while also showing the students' care and accountability to make this a stand-out music program. Be proud to be part of the Trabuco Hills High School (THHS) Instrumental Music Program. Please review the list below to ensure your student has all the required Spiritwear and Concert Attire based on their participation in the different ensembles. All students must have Spiritwear available by **August 29, 2025** and Concert Attire ordered by **August 30, 2025**.
